GEORGE WASHINGTON GROVER HOUSE

Dear Debbie Yerex,

I want to thank you for the service you have given us here in Galveston. Our elevator was installed 1997 or 1998 and we have always done the yearly check that you suggest.

This year we have had a problem with the brake and had to have several visits - each person

felt it was fixed.

This week we had such a
nice man and he did more
work - I am so sorry not
to recall his name!

This service was at no charge.
Your company is reliable and
fair and very conscientious!
In today's world, your company
represents a type of service that
is hard to find! Thank you!

Sincerely, Rebecca Hughes
